

Scripture's Weight of Evidence

Today, more than ever before, Christ Yahushua's (Jesus) faithful are called upon to compare all doctrines to the Scriptural standard. All can have confidence that Yahushua will lead them into all truth, as long as they are willing to be taught of Him, and remain obedient to walk in the new light. All are held accountable to the faithful Berean model, to "study the Scriptures daily to see if these things are so." This means being willing to first *hear the message*, and secondly to *compare it* with the rock solid Scriptural evidence. After all the evidence is gathered for and against, it must be decided upon which side lay the *weight of evidence*.

In a most profound and similar way, the Millerites in the 1840's, found themselves at the pinnacle crossroads of much *new light*. As the intensity of the *new light* mounted, William Miller was compelled to formulate a system whereby to compare each *new light* contestant, both fairly and thoroughly from Scripture. He created what is known as the "*Rules of Interpretation*." This set of rules has been used by the S.D.A. Church as an effective process for discovering and validating truth. Below are the first four of fourteen.

1. Every word must have its proper bearing on the subject presented in the Bible.
2. All Scripture is necessary, and may be understood by a diligent application and study.
3. Nothing revealed in the scripture can or will be hid from those who ask in faith, not wavering.
To understand doctrine, bring all the Scriptures together on the subject you wish to know; then let every word have its proper influence, and if you can form your theory without a contradiction, you cannot be in an error.

By systematically adhering to these rules we demonstrate our willingness to be led by His Spirit. Notice that each of these four points testify to following the “weight of evidence.” Only then, can we have confidence to “*follow the Lamb whithersoever he goeth,*” and step onto the solid foundation of the tried and true, Scripturally based, *new light*.

Men of piety and talent catch views of eternal realities, but often they fail of understanding, because the things that are seen eclipse the glory of the unseen. He who would seek successfully for the hidden treasure must rise to higher pursuits than the things of this world. His affections and all His capabilities must be consecrated to the search.

Disobedience has closed the door to a vast amount of knowledge that might have been gained from the Scriptures. Understanding means obedience to God's commandments. The Scriptures are not to be adapted to meet the prejudice and jealousy of men. They can be understood only by those who are humbly seeking for a knowledge of the truth that they may obey it.

Do you ask, what shall I do to be saved? *You must lay your preconceived opinions, your hereditary and cultivated ideas, at the door of investigation.* If you search the Scriptures to vindicate your own opinions, you will never reach the truth. Search in order to learn what the Lord says. If conviction comes as you search, if you see that your cherished opinions are not in harmony with the truth, do not misinterpret the truth in order to suit your own belief, but accept the light given. Open mind and heart that you may behold wondrous things out of God's word. *Christ's Object Lessons, p. 112.*

Each individual is accountable to the heavenly Father for their response to how they handle *new light*. They are also accountable to each other, as well as responsible for those who are under their care and instruction. This would include all those who might be led or swayed by their example. We simply cannot underestimate our responsibility as to how we handle each contestant of *new light*. It is imperative that on our knees before our Savior, we lay our preconceived opinions, our hereditary and cultivated ideas, at the door of investigation.

In the mid 14th Century, John Wycliffe, *the morning star of the Reformation*, stood in the gap for truth. He believed truth must be firmly founded on the *Rock* of Scripture. In meeting the opposition of his day, he coined the phrase “Sola Scriptura”, meaning that all doctrine must be based on Scripture alone. The Heavenly Father's ordained standard for all law, as well as all units of time reckoning,

is found in none other than Scripture. There alone, has it been preserved and protected by an unseen hand, but only in the original Hebrew text. The promise of the Savior that not one jot or one tittle shall be removed from the law until all be fulfilled, was specifying only the Hebrew text and not the erroneous translations that have created chaos and confusion within the intended Word of G-d.

“Like the Sabbath, the week originated at creation, and it has been preserved and brought down to us through Bible history.” *Councils on Education*, p. 190

Since the dark ages, as truth has progressed, men and women have at times been faithful to walk in *new light*, but usually only to a point. Once a new church was organized and a creed developed, they would stop seeking or receiving *new light*. This scenario has taken place over and over again. Generally, each organization established a creed, and then built a wall around that creed to protect it from the darts of the enemy. It is this very wall constructed to keep out error that has also served to keep out truth. This makes it nearly impossible to receive *new light*. Thus, we have many protestant churches today with creeds cast in cement, dead churches with no “new light.” It is “new light” that is necessary to sustain the life of the faithful within their organized assemblies, congregations or churches.

I saw that the Bible was the standard book, which will judge us at the last day. 16 Manuscript Release 34, Ellen White.

In these last days the heavenly Father continues to penetrate the hearts of those would be faithful with His ever *progressive new light on old truths*. No matter what church organization or creed mankind is from, all have been steeped in the darkness of error. For such a time as this, our Father is calling His own to come out of error that has manifest itself in these organized churches and creeds, that He may equip the faithful with the *light of His present truth*. He is preparing a people that can stand with Him, unfettered by the errors and traditions of men. These will seek to dig deep in the mines of truth, reading deeper than the spurious translations, and doing tedious word studies from the original Hebrew and Greek languages, for each morsel of divine truth.

The truth is not changing, rather it is being revealed.

This is simply the modern version or *anti-type* of the epic story of Yahuwah leading His people out of the captivity of Egypt. However, this time He is leading them into the heavenly Promised Land. It is the Father’s divine plan to restore all of His truths to a people who are willing to stand alone. It is in being faithful to keeping holy all of the heavenly Father’s sacred appointed Feasts, which include the holy Sabbath that they are in sync with the movements of the Lamb (Revelation 14:4).

Many have, as had Moses, very much to unlearn in order to learn the very lessons that they need to learn. Moses had need to be self-trained by severest mental and moral discipline, and God wrought with him before he could be fitted to train others in mind and heart. He had been instructed in the Egyptian courts. Nothing was left as unnecessary to train him to become a general of armies. The false theories of the idolatrous Egyptians had been instilled into his mind, and the influences surrounding him, and the things his eyes looked upon, could not be easily shaken off or corrected.

Thus it is with many who have had a false training in any line. All the idolatrous rubbish of heathen lore must be removed—bit by bit, item by item—from Moses' mind. Jethro helped him in many things to a correct faith, as far as he himself understood. He was working upward toward the light where he could see God in singleness of heart. God Jehovah was revealed to him. This thorough intellectual training in Egypt, and as a shepherd among the mountains, in the pure air, made him a strong thinker and a strong doer of the Word of God. —*Manuscript 45*, 1890 (*Manuscript Releases*, Vol. 2, pp. 324-326). *Christ Triumphant*, p. 99.

Many have typically believed that it is the people in the other churches who “*have many lessons to learn, and many more to unlearn.*” We simply have not believed this also applied to Seventh-day Adventists, or what ever church you belong to, as all religious organization tend to believe they have the truth. Yet, Ellen White states over and over that she did not have all the light that was to be given especially in regards to the true Sabbath. However, since that time, we have all but dismissed her statements regarding *new light* to come. We have assumed that these statements specifically refer to how to be a better Christian, or a richer understanding of how to keep the Sabbath more appropriately. Many people have gone to their graves believing this.

We have all been certain that this was the truth, because Ellen White herself was shown in her first vision that “*the Sabbath has never changed,*” and that Scripture bears out that the Sabbath is the seventh-day. As a result we have all *assumed* two things. The first assumption is that *Saturday* is the true seventh-day Sabbath. Yet, no where is it recorded that Ellen White received a “*thus saith the Lord*” that “***Saturday***” is ***the seventh-day Sabbath***. The second assumption is that any *new light* given by the Lord regarding the Sabbath would have nothing what ever to do with a change of the day, because that truth was nailed in stone, or so it appeared. Refer to article, “*From Even Unto Even.*”

Remember the assumptions of the ancient Hebrew people in regards to the Messiah. They *assumed* that the Messiah would come as a King in splendor and majesty and deliver them from their enemies. While it is true that Christ will one day be crowned as a King, it was to be the *fourth phase*, rather than the *first phase* of the Saviors four-fold ministry.

Taking all things into consideration, is it possible that the heavenly Father can give *new light* on a subject as only the *first step* toward a *full disclosure*, and still have it accomplish His timely purposes? Yes it is. As a result, an entire church organization sprang up over the *new light* of the seventh-day Sabbath, *fully assuming it to be Saturday*. This first step regarding the seventh-day being the Sabbath was indeed a huge revelation for its appointed time. This most assuredly accomplished a grand purpose for the heavenly Father, as it highlighted and brought to bear that His holy day was indeed the seventh and not the first.

Wouldn't it be considered dishonest or misleading of God to raise up an entire denomination, only for them to discover 160 years later that they had only half the truth regarding the Sabbath? Indeed the seventh-day is the Sabbath, but now the *second step* of the full disclosure reveals that according to Scripture, *Saturday* is not the sacred and holy Sabbath. This error of the 1850's, in assuming Saturday is the seventh-day, cannot be attributed to God, for He is ever seeking ways to reveal truth to His faithful. However, He allowed the assumption to take hold for all these years as a fulfillment of prophecy declaring that "all the world wondered after the beast." Seventh-day Adventists have historically believed that they are exempt from this fateful *following after the beast* because Saturday Sabbath keeping removed them from the beast's power. In their eyes, the Saturday Sabbath is the antidote to following the beast.

Is it possible that the Seventh-day Adventist Church only achieved the first step in a full disclosure on the subject of the Sabbath truth? Isn't this exactly how we raise our own children? The first time they ask where babies come from, we begin with the *first step* of a *full disclosure* by giving them only as much as they can handle at that time. Later as they grow and mature and demonstrate a readiness to understand, then and only then is an extended revelation given. As parents we do exactly what the heavenly Father does in giving our children the *second step* of a *full disclosure*, but only when they demonstrate they are ready for it.

Do we believe the heavenly Father would be any less wise in educating His children than us earthly parents? Heaven forbid! It is a Scriptural principle that "if we are faithful in little things, He will make us rulers of big things." This means that if we are faithful to the *light* He has previously given, growing and maturing in spiritual strength, then He will reward these faithful few with more *light* that will continually come in the form of *step two*, *step three*, and onward toward *full disclosures*? Is this not exactly what is to take place in the process of Sanctification? Yes, of course.

As you recall in the 1880's Ellen White openly challenged and chastised the growing S.D.A. organization for not continuing on to follow the light and the leading of the Father. She stated they would have already been in the kingdom had they remained faithful. Is it possible that their lack of faithfulness in walking in *present truth* may have had an impact on the Father's decision not to reveal the second step of the Sabbath truth to them? Is it possible that the church simply did not meet the growing and maturing requirement for receiving the *second step* toward a full disclosure?

When the truth regarding Scripture's calendar is revealed, most people will find it especially detestable, because they are more concerned with what others might think than in walking in the light revealed from the throne of heaven. Peer pressure, pride, and love of the world will be the most difficult obstacles. However, the *final step* of the *full disclosure* is divinely designed to be a most thorough revealer of the heart. Just as in the days immediately following October, 22, 1844, when Christ did not appear, the heart of the truly sorrowful was revealed. Those who had prepared heart and soul and longed to see their Savior come in the clouds and take them to their heavenly home were bitterly disappointed. Most however, who had joined the "Advent Movement" were not nearly as disappointed as they were embarrassed by what others thought or said. Soon these very ones ridiculed those who had been truly disappointed.

Scripture's Weight of Evidence:

There are no less than twelve principles from Scripture which reveal that the heavenly Father's time keeping is based on the principles of the sun, moon and stars working together with precision as ordained at creation (Genesis 1:14-18). The current Roman Gregorian calendar, which is in sync with the pagan *unbroken cycles of weeks*, is reckoned solely by the *sun*, in direct defiance of the Creator's appointed three part celestial system. This humanly devised pagan system of time keeping was intended for the worship of the planetary gods, and was also the foundation of "sun worship" in antiquity. Any unit of time that is a fruit of the *single orb* of the sun is therefore spurious, and of false origin, making neither Saturday nor Sunday the true Sabbath of Scripture.

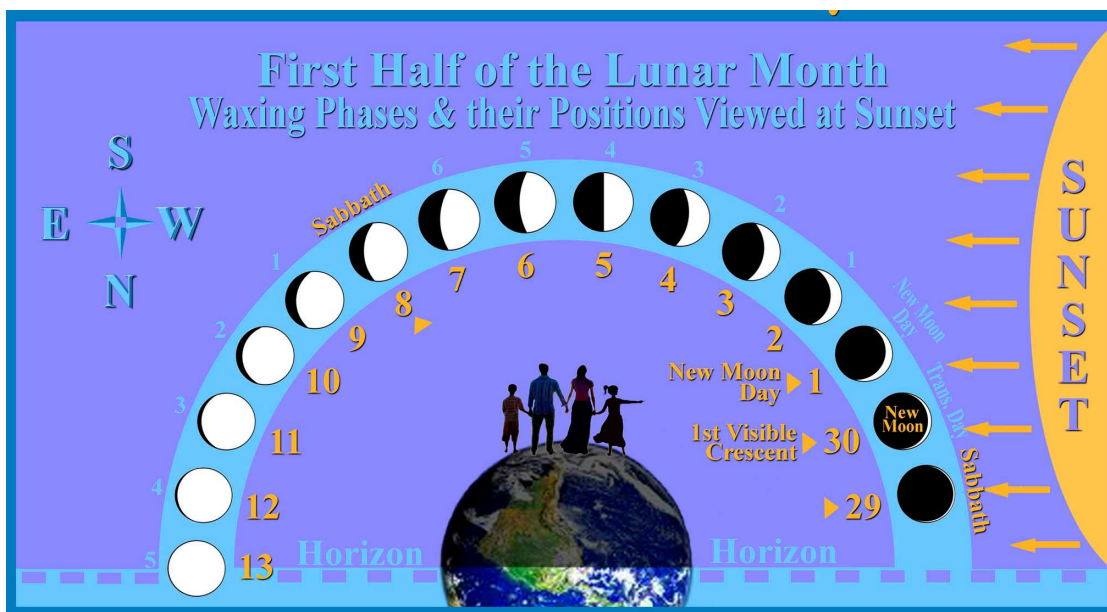

The following twelve principles are Scriptural revelations of the heavenly Father's *full disclosure* to the faithful of His preordained celestial timepiece. The sun, moon and stars orbits along with the first visible crescent New Moon have continued untouched since Creation. This is *self evident* in the fact that this divine lunisolar time keeping system of Genesis, Exodus and Leviticus is still *in sync* with the lunisolar month today as it is viewed in the heavens. With the precision of a Swiss clock, these signs in the heavens continue untouched, unaltered, and unmoved by man or beast since the first week of Creation. In opposition to Evolution's pompous theory, it is these *heralds of truth* from antiquity, remaining visibly observable to all upon earth, that gallantly declare that the Messiah and Savior Christ Yahushua is the Son of Yahuwah and Creator of the Universe. It is the sun, moon and stars that declare a literal six days of creation and a seventh-day Sabbath, as it is still a living witness, testifying of the Creator to this day. No such Scriptural evidence for the *unbroken-chain-of-successive-weeks* continuing since Creation can be produced, demonstrated, or be visibly observable in the heavens. Simply no one on earth today was alive at Creation as a living witness. And Scripture remains silent as to unbroken-cycles-of-successive-weeks beginning at creation. All we are left with is *an assumption* that the weekly cycle, as demonstrated in the Roman Gregorian calendar, has never changed. In contrast to this *assumption*, Yahushua states that the moon is his

faithful witness in the sky. So what does it testify to? It testifies that the Lord Yahushua is the Creator because its lunar rotations and lunar phases remain unchanged after 6000 years. And it testifies to the creator because the New Moon is the only locator that can consistently place the holy appointed feast of Unleavened Bread and Feast of Tabernacles on seventh-day Sabbaths. Our Savior's death highlighted this fact, as it was not by coincidence that the Sabbath He spent in the tomb was the first day of the Feast of Unleavened Bread. See example below of the lunisolar timepiece as it continues to be seen in the heavens as a banner ever waving to declare the Creation, Salvation, and Redemption story:

It will be established forever like the moon, the faithful witness in the sky. Psalms 89:37

will never have more than two identical sequential months in a row. The only time it can occur is at a leap year. Amazingly, Exodus 12, 16, and 19 outline not just two, but three identical sequential months in a row. Following New Moon day, the cycle of four weeks are refreshed beginning anew each and every month. There are only four complete weeks each lunisolar month. Scripture simply does not recognize any form of calendar other than lunisolar. Therefore, unbroken-cycles-of-weeks are not supported in Scripture. Refer to full article, [“Three Months in a Row, the Exodus, the Manna and the Mountain.”](#)

2. **The Sacred Count to Pentecost:** In the count to Pentecost, it is revealed that Yahuwah's time keeping was based on the orchestration of the sun, moon and stars. Among the identifying details for a correct count to Pentecost is the concept of “Sabbaths complete.” It is uniquely in the count to Pentecost that Yahuwah forever connects the seventh-day Sabbath with the Feasts. The criteria for this count identifies the seventh-day Sabbaths upon fixed lunar dates for each and every year. In addition, the only way to arrive at the correct lunisolar date of the holy Feast Pentecost is that one must count seven Sabbaths complete (six work days and its Sabbath) plus one day. If the Gregorian calendar, along with its unbroken-cycle-of- weeks, were the calendar upon which one were to accurately count to Pentecost, there would have been no need of all the ambiguous terminology. After all, it would have been much simpler to simply state count 50 days from the 16th of the First Month. All the seemingly confusing, language loses its ambiguity when the correct calendar is used for the counting. It is in the terms of the Leviticus 23:16-17, seeming somewhat bazaar that Yahuwah’s true calendar is revealed. Refer to full article, [“Count to Pentecost Purpose and Parameters.”](#)
3. **The Time Frame Between Passover and Tabernacles:** Scripture’s calendation model is the Creator’s ordained standard for all calendation and units of time. Whether or not one keeps the holy appointed feasts or not is irrelevant to the part they play in defining the true calendar of Scripture. The count of days and weeks from the spring Festival to the fall Festival expose weighty evidence that *unbroken cycles-of-successive-weeks* have not existed since creation. In addition these *revolving chains* of weeks have never been apart of the Lord Yahuwah’s ordained calendar of Scriptures. Amazing evidence reveals that this *unbroken-cycle-of- weeks* cannot stay in harmony with Scripture for even six months. Refer to full article, [“Passover to Tabernacles Calendar Challenge.”](#)
4. **The Value Scripture Places on New Moons:** The New Moon (according to Strong’s Concordance: chodesh #2320, #3394, #3842, #7720, #4582, #3391, #3376) is given approximately 300 times between Genesis and Revelation as compared to the seventh-day Sabbath, which is given approximately 150 times. According to Scripture, among all the lunar phases, the first visible crescent New Moon is the most significant lunar phase. This phase working in partnership with the sun, is one of Yahuwah’s “principles that rule in the heavens.” This is

because it beacons that the new month begins the next morning at sunrise; it establishes the layout of four weeks of six literal days followed by a seventh-day Sabbath with predetermined lunar calendar dates for each month. Also, the New Moon defines the first day of each year, or New Year's Day as it is always located on the first day of spring.

It is the sighting of the *first visible crescent New Moon* that tells us not only that the next day is New Moon day, but it is by counting from New Moon day that each *date* receives its placement. Each month, the 2nd of the month is always the first day of the first week, while the 8th of the month is always a seventh-day Sabbath, which is followed by three more successive weeks. Therefore, it is only by counting from the New Moon that Yahuwah's true seventh-day Sabbath is found. All other lunar phases shift from month to month and cannot be counted on for locating the seventh-day Sabbath. In contrast the first visible crescent New Moon is the consistent and perpetual beacon of light for the layout of each new month, its four weeks and four Sabbaths.

The Creator's lunisolar month and its four corresponding weeks has been the ongoing target of Lucifer's unending attacks. For if the real truth were leaked out regarding the importance Yahuwah places on the New Moon, Lucifer's mask would fall off, exposing him and his mastermind of deception, the Roman Gregorian calendar and its unbroken-cycle-of-weeks. Refer to full article, ["The New Moon, When is it?"](#)

5. Sabbath's Consistent Monthly Dates:

Scripture's time keeping and calendation is the standard whereby we are to compare each calendar including the Roman Gregorian, and not the other way around. Every instance where dates are used in Scripture to identify Sabbaths, they are without exception located on the 8th, 15th, 22nd, and 29th of the month.

If the modern Gregorian calendar were in harmony with Scripture it would reflect the lunisolar time-keeping. If it were, every month would begin with the New Moon day followed by four successive weeks and Sabbaths. Each month would look the same as the last, and the cycle of weeks would begin afresh each month. The only difference between months is that half of the months of each lunisolar year are 29 days in length and half are 30. But this does not affect the layout of the weeks.

The truth is the modern Gregorian calendar can never have more than two identical months in a row. This is because its months are of various lengths, and it adheres to a system of *unbroken-cycles-of-successive-weeks*. As stated earlier, this is only possible with a lunisolar calendar because the New Moon refreshes not only the cycle of days

each lunation, but it also refreshes the cycle of weeks. Refer to full article, [“The Creator’s Calendar Year-At-A-Glance.”](#)

6. **The Principles that Rule in the Heavens:** Ellen White states, “The Sabbath question is to be final issue in the great final conflict”. *6 Testimonies*, p. 352. Scripture reveals that Satan’s goal is to be worshiped as God. His pompous declaration was that he would “sit on the mount of the congregation in the sides of the north”. Here it is illustrated that Satan has indeed already accomplished his goal via a counterfeit calendar and His man-made units of time.

Armageddon, as outlined in Scripture appears to be a war of calendation. In the original Hebrew it is defined as the “*rendezvous at the mountain*” or “*mountain appointment.*” So then, a battle over “*mountain appointments*” is a battle over two opposing “mountains of time,” the true and the counterfeit. This will be the great and final battle between the Creator’s lunisolar calendar of Creation, and the Luciferian inspired Roman Gregorian calendar of man’s creation that utilizes unbroken-cycles-of-successive-weeks. Refer to full article, [“The Principles that Rule in the Heavens.”](#)

7. **Three Kinds of Days Each Month:** Perhaps it is because Genesis 1 defines that there is only two kinds of days within a week, work days and Sabbaths, it has been assumed that weeks cycle without end. But profound evidence is revealed within the same Bible that weekly cycles are broken each and every month with the occurrence of New Moon day, a third kind of day that exists each lunar month. From cover to cover the Bible illustrates that “months” are lunar and beacons by the New Moon. Therefore, all Scriptural months contain three kinds of days as defined in Ezekiel 46:1.

Three Kinds of Days Each Month

Thus says the Lord GOD: "The gateway of the inner court that faces toward the east shall be shut the six working days; but on the Sabbath it shall be opened, and on the day of the New Moon it shall be opened. Ezekiel 46:1-2

Here in the book of Ezekiel we find a “thus saith Yahuwah” that He ordained *three kinds of days* each month, which are named and have specific function. Notice below that the “east gate” of the temple, being open or closed for worship, actually defines that these days can never overlap. New Moon days and Sabbaths are both identified as worship days in contrast to work days. Each day is either a work day or a worship day and can never be both. There is no guess work here. New Moon days will never fall on work days, just as Sabbaths can never fall on work days.

Likewise, New Moon days can never be seventh-day Sabbaths, because the New Moon day must always be the first day of the month, as it marks the first day following the sighting of the *first visible crescent* lunar phase.

- 1) East gate is **shut** six working days.
- 2) East gate is **open** on the Sabbath.
- 3) East gate is **open** on New Moon day.

Facts from Ezekiel 46:1

- Two kinds of days make up the **Biblical week** – work days and Sabbaths.
- But, three kinds of days make up a **Biblical month** – New Moon days, work days and Sabbaths.
- The east gate is **opened** for worship on both New Moon days and Sabbath days.
- The east gate is **shut** for worship on work days.
- Sabbath days and work days never overlap.
- New Moon days and work days never overlap.
- New Moon days and Sabbaths never overlap, as they were divinely designed as distinct kinds of days.
- Therefore, the New Moon day that occurs once each month is never a work day or a seventh-day Sabbath.
- However, by its very existence, the New Moon day **breaks the cycle** of work days and Sabbath days, each lunar month.
- **It is impossible** for the Creator’s weeks to have cycled without end, since creation, for the mere fact that there are three kinds of days and not just two, “as all the world have wondered after the Beast,” in believing.
- Cycling weeks cannot remain unbroken for 6,000 years, 6 months, or 6 weeks, for the very reason that the New Moon day exists and continues to stand as a beacon of time, thus breaking the week cycle each and every month.
- All units of time are heralded by the three part orchestration of the sun, moon and stars, the great “*principles that rule in the heavens.*” These alone bear the signature of the Creator.

8. **The Twelve Criteria of the True Crucifixion Date:** There are *twelve criteria* that illustrate point by point the time centric details of Scripture’s calendation at the time of the crucifixion of the Savior. Christ Yahushua as the *lamb of God* fulfilled the Passover, both as to the event and the time perfectly. Each of the twelve elements of time surrounding the details of the crucifixion of Christ Yahushua declare three things. First and foremost that He was the Messiah, the Passover lamb who takes away the sin of the world. Second, they declare the Hebrew lunisolar calendar to be the self-same one of Creation, the Exodus, and the Cross. Thirdly, these twelve elements of time declare the seventh-day Sabbath to be located only on the lunisolar calendar. “A halo of light and glory

clustered about the time of Jesus' death and resurrection, immortalizing the sacred facts that he was the Saviour of the world. *Early Writings*, p. 197. Refer to full article, [“The Twelve Criteria of the True Crucifixion Date.”](#)

9. **The Pure Woman of Revelation:** For centuries it has been taught that an *unbroken-chain-of-successive-weeks* has continued since Creation. It is taught as *fact* that this is the heavenly symbol of a divine Creator in contrast to the theory of evolution. But the question remains, where is it written in Scripture that an *unbroken-chain-of-weeks* was designated as His symbol of Creation?

In contrast, Scripture reveals that at the very end of time Yahushua's faithful people will be symbolized by the revolving celestial bodies that beacon His true lunisolar calendar time system. This unique time system is based upon the co-operative efforts of both the sun and moon, as beacons by the first visible crescent.

This is strikingly illustrated by the pure woman of Revelation 12:1. She is clothed with the sun and the moon is depicted as under her feet, and there are twelve stars above her head. These celestial symbols illustrate her faithfulness to the Creator and His ordained lunisolar clock/calendar. Each of the sun, moon and stars specifically represent aspects of the Creator's unique time system, each of which cannot be identified using the Roman time system for days, weeks, months or years. The latter, in contrast, is represented by the ungodly woman of Revelation 17 who rides the beast with seven heads. This image depicts the two opposing calendation systems. Is it possible that these seven heads or mountains, are mountains of a counterfeit time system, representative of *unbroken-cycles-of-weeks*, and named after seven pagan deities? Which woman defines your current time-centric belief system? Refer to full article, [“The New Moon, When is it?”](#)

10. **Healing on the Sabbath:** In the verse below Yahushua responds to the priests, who are angry because He has just healed a man on the seventh-day Sabbath, the day after the last day of the Feast of Tabernacles.

Moses therefore gave you circumcision (not that it is from Moses, but from the fathers), and you circumcise a man on the Sabbath. If a man [male] receives circumcision on the Sabbath, so that the law of Moses should not be broken, are you angry with Me because I made a man [male] completely well on the Sabbath? John 7:21-24 NKJV

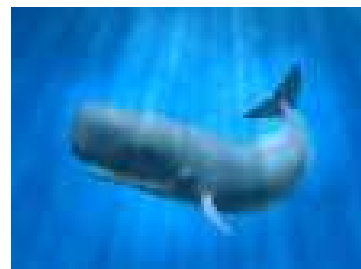

It is in these words of the Savior we find the day that followed the seven day Feast of Tabernacles was the seventh-day Sabbath. This evidence bears a second witness to Leviticus 23:35-36 a full 1500 years after the Exodus that indeed the day following the seven day Feast is always a seventh-day Sabbath, and the 22nd day of the Seventh

Month. Thus it is demonstrated yet again, that the Sabbath consistently falls on the 8th, 15th, 22nd, and 29th of the seventh month.

On the first day there shall be a holy convocation [seventh-day Sabbath]. You shall do no customary work on it. For seven days you shall offer an offering made by fire to the LORD. On the eighth day you shall have a holy convocation [seventh-day Sabbath], and you shall offer an offering made by fire to the LORD. It is a sacred assembly, and you shall do no customary work on it. Leviticus 23:35-36 NKJV

11. **The Sign of Jonah: Three Days and Three Nights:**

There was a riddle given by our Savior, a few days prior to His crucifixion, that when solved proclaims Gregorian calendation as well as modern Jewish time reckoning as imposters. An error has been discovered in the Bible translations that place the word “*early*” or “*early in the morning*” in place of the Greek word “*proi*” #4404. While it has been regularly translated to mean “*early in the morning*,” it actually means during the “*Fourth Watch of the night*,” the “*Daybreak Watch*,” or “*dawn*.” See Mark 16:2, 9; John 20:1; Matthew 20:1

Strong’s Concordance Greek Definition:

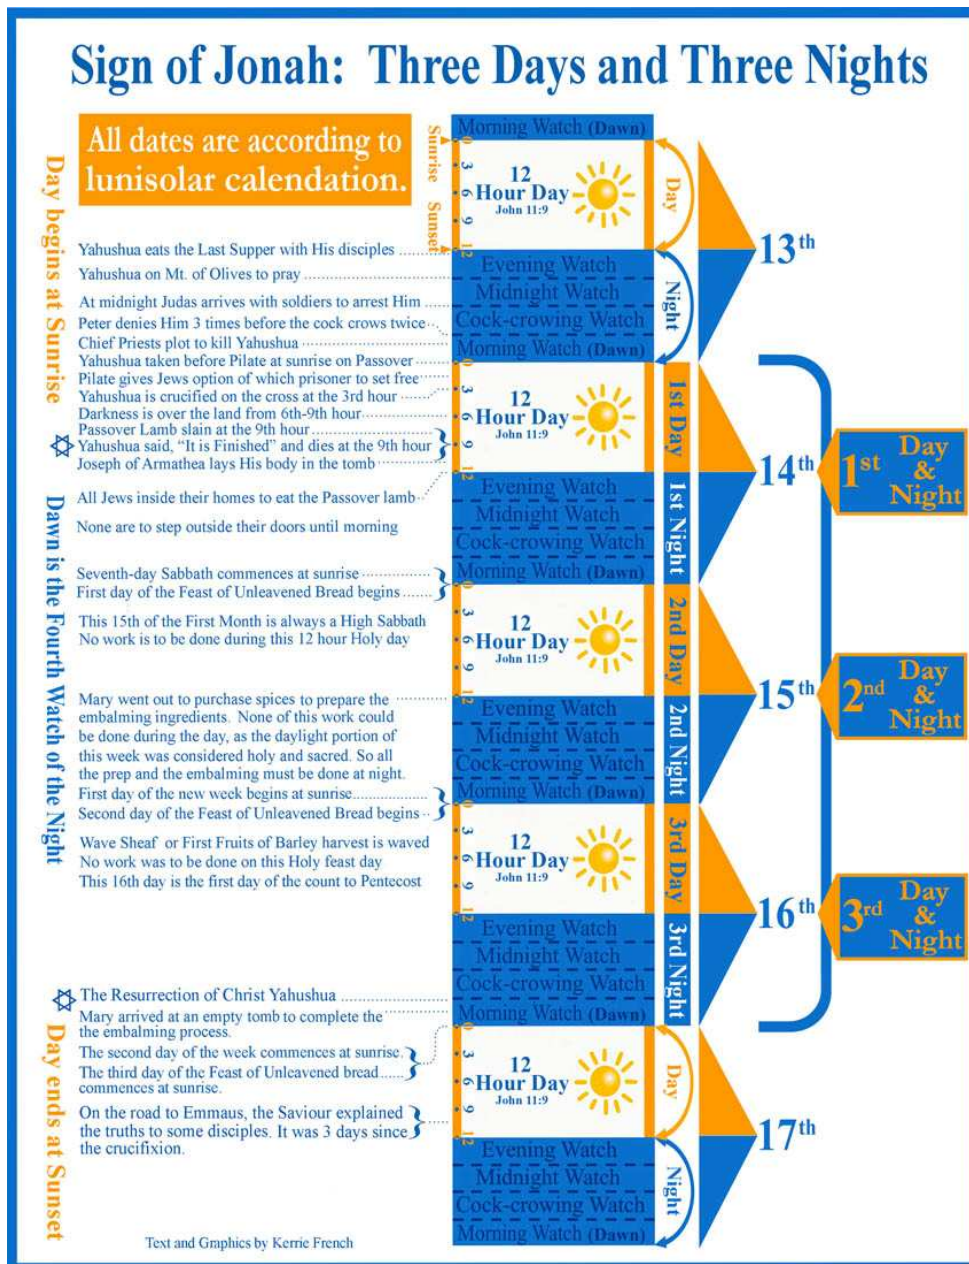

#4404 (**proi**) = at dawn; by implication, the Daybreak Watch. 1. Proi is the fourth watch of the night.

Please do not miss this point. “Dawn and dusk” are both equated with the “night” and not with the “day.” The very Scripture verses intended to prove that dawn is part of the new day, actually give weighty evidence to the contrary. Dawn is synonymous with the forth watch of the night, which is also called the Morning Watch or Daybreak Watch.

All references to the resurrection of Christ Yahushua that use the terms “early,” or “early in the morning” have been deceptively constructed to appear that Christ rose while it was yet dim at the commencement of the first day of the week. The Greek text clarifies that indeed the resurrection took place on the “first” day of the week, which was also the 16th calendar date, counting from the New Moon. But what is most surprising, is that the resurrection took place at the very end of the 24 hour *calendar date* of the 16th, during the Fourth Watch of the night, rather than at its commencement. As a result, the resurrection of the Savior took place a full 24 hours after it has been historically thought to have occurred. Therefore, the riddle of the

Savior’s three days and three nights is finally solved. In solving this puzzle, the truth has born out that the only units of time that define this sacred period in history are the lunisolar *calendar dates* that commence at sunrise and terminate following the forth watch of the night.

Because of the previous discovery from Scripture, of how the Creator’s 24 hour *calendar dates* are divided, it is now possible to account for Christ Yahushua being in the tomb for three days and three nights. Refer to word study commentaries, Matthew 28:1 “*The Fourth Watch of the Night.*”

12. Following the Lamb Whithersoever He Goeth – Appointed Feasts:

According to Revelation 14:4, *following the lamb whithersoever He goeth*, is a manifestation of only one group of people on earth at the very end of time. This group is referred to as the 144,000. While it is well known among various Christian organizations that the “lamb” is a symbol of our Savior, Christ Yahushua, it is not overtly clear to most, what is meant by *following the Lamb whithersoever He goeth*.

This is a divine riddle that can only be understood in light of the sacred Sanctuary service model as instituted by the heavenly Father with Moses and the Israelites in combination with His lunisolar calendar.

This lunisolar time ordained ceremonial system has prophetic implications and reveals in detail through its daily, weekly, monthly and yearly services the heavenly Father’s divine plan of salvation. These truths are magnified as they are revealed in His sacred *time centric* seventh-day Sabbath, and the other six yearly appointed holy feasts days. It is these appointed holy feasts, both weekly and yearly, that reveal to mankind the time appointed work of the lamb, and His blood transferred to the Most Holy Place in the Sanctuary above. It is the lunisolar calendar that defines the divinely methodical three-phase system of the Messiah, unto salvation. It is only in this paradigm that it can be understood that Christ is the Lamb slain from the foundation of the world, yet is alive and well today making restitution for sin and walking among the candlesticks in the heavenly sanctuary. While He lives as our Priest in the heavenly Sanctuary, it is His own symbolic blood that He presents before His Father. Prior to His return, He will take on the role of High Priest and Judge the living as he enters the Most Holy Place, and then will soon come in the clouds of heaven to receive His redeemed from all the ages. All of this was according to the pattern shown to Moses on the Mountain, not made with hands.

Each ministry of Christ has its ordained and appointed event, occurring precisely on time and in harmony with Scriptures lunisolar calendar and His divinely appointed feast days. Those who are *following the Lamb*, are those who diligently seek to be in harmony with these sacred heavenly events. By observing His holy appointed, and *fixed* Feast days at their ordained times, these are they who are declaring to God their faithfulness. This is diametrically impossible to do simultaneously while *wondering after the beast and her Gregorian calendar*.

*These are they which follow the Lamb whithersoever he goeth.
These were redeemed from among men, being the first fruits unto
God and to the Lamb. Revelation 14:4*

It is a well established fact that the Sanctuary services in the wilderness corresponded to the lunisolar calendar. But so too did Solomon’s Temple, as well as Herod’s

Temple. Many have proclaimed that lunisolar time-keeping ended either at the cross or when the earthly Temple was destroyed in A.D. 70. But, is it not true that both the Sanctuary and Temple on earth were patterned after the heavenly in every aspect including the appointed time system for New Moons and Feasts? Yes! Is the heavenly Sanctuary today not where the Savior performs the merciful work of forgiveness as He ministers in the holy place above as Priest and mediator for sinners? Yes! Since this is true, and the earthly was patterned after the heavenly Sanctuary that was not made with hands, would it not also be true that the heavenly Sanctuary is still regulated by the same rhythm of the lunisolar clock/calendar? Yes!

With this said, there is an additional point to consider regarding “temple” time-keeping, which was used to call His people for assembly to worship Him. There has never been a time in the recorded Scripture that the heavenly Father did not require the wilderness Sanctuary or the other Temples to be orchestrated by lunisolar time-keeping for each and every phase. So, what time keeping was to be followed for each soul temple?

Or do you not know that your body is the temple of the Holy Spirit who is in you, whom you have from God, and you are not your own? For you were bought at a price; therefore glorify God in your body and in your spirit, which are God's. 1 Corinthians 6:19-20 NKJV

It appears that folks were to understand that their bodies were designed to be temples of the Holy Spirit. They were to glorify their Father in their bodies, in and by their spirits. The heavenly Father was to continue to receive worship, from these human soul temples all the way into eternity. The question remains, upon which time-keeping system were they to do this? Did it matter? Were they welcome to utilize the rhythms of pagan calendation to worship the Creator of the sun, moon, and stars? No! It is said of our heavenly Father that He is always consistent and changes not. Therefore, would it not be true that whatever time system was given for the wilderness Sanctuary as well as each of the Temples was also the same that was to be required of each faithful saint? These would be seeking to be in harmony with all the divine laws and appointed times of worship, ever seeking to “follow the lamb whithersoever he goeth.” Are not all the Lamb’s movements according to lunisolar time? According to Scripture, Yes!

*Unfamiliar is no more synonymous with wrong
than familiar is synonymous with right.*

Shocking as these concepts may first appear to be, those who truly desire to know the truth, must check it out for themselves, “laying at the door of investigation all preconceived ideas”. If knowing the truth is vital; if faithfully keeping the Lord

Yahushua's true and Holy seventh-day Sabbath is imperative, then please take the time to prayerfully read for yourself the articles with support details from Scripture.

Christians should be preparing for what is soon to break upon the world as an “overwhelming surprise,” and this preparation they should make by diligently studying the word of God, and striving to conform their lives to its precepts. . . . God calls for a revival and a reformation. *Prophets and Kings*, p. 626

What could be a more “*overwhelming surprise*” to Saturday or Sunday keepers than to discover that their holy day is after all not the true seventh-day Sabbath? What could be a more “*overwhelming surprise*” than for the whole world to discover that for the past 1700 years they have all been *wondering after the beast* by following, through choice and action (as a mark in the forehead and in the hand), the Papal counterfeit calendar? The question remains, what could be a more “*overwhelming surprise*?”

Additional Ellen G. White Quotes to Ponder:

Different periods in the history of the church have each been marked by the development of some special truth, adapted to the necessities of God’s people at that time. Every new truth has made its way against hatred and opposition The Lord gives a special truth for the people in an emergency. Who dare refuse to publish it? He commands His servants to present the last invitation of mercy to the world. They cannot remain silent, except at the peril of their souls. Christ’s ambassadors have nothing to do with the consequences. They must perform their duty and leave the results with God. *Great Controversy*, p. 609.

The laws of God and the time of God were to be changed by this antichristian power In the prophecy it is plainly shown that this papal power would with deliberate intention change the law of God *Signs of the Times*, 11/19/1894.

I saw that God had children, who do not see and keep the Sabbath. They had not rejected the light on it. And at the commencement of the time of trouble, we were filled with the Holy Ghost as we went forth [Hosea. 6:2, 3.] and proclaimed the Sabbath more fully. This enraged the church, and nominal Adventists, as they could not refute the Sabbath truth. And at this time, God's chosen, all saw clearly that we had the truth, and they came out and endured the persecution with us. *Word to the Little Flock*, p. 18.

There is no excuse for anyone in taking the position that there is no more truth to be revealed, and that all our expositions of Scripture are without an

error. The fact that certain doctrines have been held as truth for many years by our people is not a proof that our ideas are infallible. Age will not make error into truth, and truth can afford to be fair. No true doctrine will lose anything by close investigation. *Councils to Writers and Editors*, p. 35.

In amazement they hear the testimony that Babylon is the church, fallen because of her errors and sins, because of her rejection of the truth sent to her from heaven. As the people go to their former teachers with eager inquiry, Are these things so? The ministers present fables, prophesy smooth things, to soothe their fears and quiet the awakened conscience. But since many refuse to be satisfied with the mere authority of men and demand a plain “Thus saith the Lord,” the popular ministry, like the Pharisees of old, filled with anger as their authority is questioned, will denounce the message as of Satan and stir up the sin-loving multitudes to revile and persecute those who proclaim it. *Great Controversy*, p. 606.

It is to the thirsting soul that the fountain of living waters is open. God declares: “I will pour water upon him that is thirsty, and floods upon the dry ground.” To souls that are earnestly seeking for light and that accept with gladness every ray of divine illumination from His holy word, to such alone light will be given. It is through these souls that God will reveal that light and power which will lighten the whole earth with His glory. *Testimonies*, Vol. 5, p. 729.

In conclusion, it is imperative that none of the Savior’s faithful become confused by the many *side issues* that can be formulated to attack or undermine what is clearly and definitively written in Scripture. The unfaithful, who are not seeking truth as it is in Scripture, will continue until the very end to undermine the would-be faithful Bereans. Scripture alone must be the foundation of all doctrine, and its truths will stand the test of all *new light*. His truths will shine forth from Yahushua’s Word purely and clearly.

Ellen White defines the qualifications that the Spirit of Yahushua will use at the very end:

The laborers will be qualified rather by the unction of His Spirit than by the training of literary institutions. Men of faith and prayer will be constrained to go forth with holy zeal, declaring the words which God gives them. *Great Controversy*, p. 606.

Let any man or woman who determines that the above revelations are false, demonstrate from Scripture alone that the points listed above are in error. Let all be faithful to the Berean model, to search the Scriptures to see if these things are so. May they take their stand upon the solid rock of “Sola Scriptura” and not their preconceived and cultivated tendencies.

Whether a person keeps the holy Feast days at their appointed times or not, does not negate the time centric application they make in demonstrating the true lunisolar calendation principles that rule in the heavens. The count of each Scriptural month begins at New Moon and locates all the Lord Yahuwah's Holy appointed festivals, which according to Genesis 1, Exodus 12 and 16, and Leviticus 23, include His seventh-day Sabbaths as well.

At the close of earth's history, Yahushua's faithful will recognize that it was Moses who recorded all three of these vitally important accounts in Scripture. These are they who will discover that it is the pivotal record of the "Exodus" that reveals the *time centric key* that unlocks Creator's calendation principles of both Genesis and Leviticus. It is in Moses' record of Exodus 12; 16; and 19 that the application of Yahushua's "*seven-day week*" is made with regards to His months and years. It is only in the restoring of Yahushua's calendation truths to Israel at the Exodus that the full calendation picture was given. This full disclosure, presents the details of exactly how the Creator placed the seven-day week directly *within* the framework of His ordained lunisolar calendar month at Creation. The same is true today, at the closing of earth's history, Yahushua is calling all of His faithful to come out of the counterfeit religions of spiritual Egypt and Babylon. He is restoring to spiritual Israel all His Laws, statutes and calendation principles, just as He did in Exodus 12, 16, and 19. Our role in preparation is that we fully partake of the bread of life, His heavenly manna, and stand clothed in His garments, with staff in hand.

When a brother receives new light upon the Scriptures, he should frankly explain his position, and every minister should search the Scriptures with the spirit of candor to see if the points presented can be substantiated by the inspired word. "The servant of the Lord must not strive; but be gentle unto all men, apt to teach, patient, in meekness instructing those that oppose themselves; if God peradventure will give them repentance to the acknowledging of the truth." 2 Timothy 2:24, 25.

Again and again I have been shown that the people of God in these last days could not be safe in trusting in men, and making flesh their arm. The mighty cleaver of truth has taken them out of the world as rough stones that are to be hewed and squared and polished for the heavenly building. They must be hewed by the prophets with reproof, warning, admonition, and advice, that they may be fashioned after the divine Pattern; this specified work of the Comforter --to transform heart and character, that men may keep the way of the Lord. Home Missionary, Nov. 1, 1893 Ellen White.

In the time of the end every divine institution is to be restored.
Prophets and Kings, p. 678.

And they that shall be of thee, shall build the old waste places: thou shalt raise up the foundations of many generations; and thou shalt be called, the repairer of the breach, the restorer of paths to dwell in.
Isaiah 58:12

Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it. Matthew 7:13-14

For out of Jerusalem shall go a remnant, and those who escape from Mount Zion. The zeal of the LORD of hosts will do this. Isaiah 37:32
