

Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New/Renewed Moons, Lunar Sabbaths, and Feast Days according to the full moon as the start of His lunar months!

<https://www.youtube.com/watch?v=FUb6QjzvRXU>

Today is the **22nd day** of our Creator's **Ninth Lunar Month** count, in which the year begins in the spring. It is also the authentic **third lunar Sabbath of the month**. It looks like **09-22-5993**. It coincides with the Roman Gregorian calendar planetary date of *Sun., 01-05-2024*.

Our Creator placed His full moon beacon as the original New Moon and the start of His months, high above for all to see. All praise to Yahuah Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah).

Simply because the full moon as New Moon, with its count to Lunar Sabbaths and annual Feast Days, is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only Yahuah's Ruach (power, presence, and provision) gives those who seek Him with all their hearts *"eyes to see and ears to hear."* Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, Yahuah. They rejoice all day long in your wonderful reputation. They exult in your righteousness."
Psalms 89:15-16

THE PORTABLE MOUNTAINTOP

By Jonathan Cahn

He led me to the top of a mountain, a stark, jagged mountain. When we reached the summit, we looked out. The view was breathtaking. The mountain was surrounded by a landscape of desert plains and more mountains, similarly stark, jagged, and dramatic, as far as one could see.

“It was on a mountain like this,” said the teacher, “that the glory of Yahuah Alahim (God) descended in front of the nation of Yasharal (Israel)...on Mount Sinai, one of the great high points of Yasharal’s history, literally a **mountaintop experience**. And then the moment passed. But before they moved on from Sinai, Yahuah told them to **build the tent that would be called the Tabernacle**. And He would dwell within it and be continually in their midst. So they built it. **And Yahuah’s presence and glory that appeared on the mountaintop now descended to the plain. The glory would now be with them in the wilderness, in their everyday life, and in their journeying. Everywhere they went, His presence and glory was with them.** What does this reveal?”

“Yahuah Alahim’s will is to come down to earth to dwell with us.”

“And so He did. In the opening of the Gospel of John, His coming down is recorded this way: ‘**And the Word became flesh and dwelt among us.**’ But in the original language, it says that ‘the Word tabernacled with us.’ **In other words, He ‘pitched His tent among us’ just as He did at Mount Sinai.** What does this mean?”

“It means that every day of our life, we can dwell in His presence.”

“Yes,” he said. “It means you can dwell in the glory of Yahuah Alahim every day of your life. In the natural, life is a series of ups and downs, and the ups and downs of circumstances, and the ups and downs of emotion. But in Yahuah Alahim, the up has come down. **Heaven has come to earth. The mountaintop has come down to the valley. What that means is that even in the lowest places of your life, you can still dwell on the heights. And no matter where you are, even in the darkest valley, you can still dwell in the glory of the mountaintop.**”

“How?” I asked.

“**By entering into the Tabernacle, by entering into communion with Him, in prayer, in worship, in just dwelling with Him, every day, deep in His presence.** Do that, and no matter where you are, you will dwell in the glory of the heights.

Think about it. He's given you a most amazing thing to have in every moment of your life... **He's given you a portable mountaintop."**

The Mission: Today, even in the most unlikely or lowest of circumstances, set up your portable mountaintop and dwell with Yahuah Alahim (God) on the heights. For through His only begotten Son, Yahusha the Messiah, the Word became flesh and continues to dwell among us so that all who seek may have access to the throne room of the Eternal Father Yahuah Alahim, on MOUNT ZION FOREVER! *Exodus 25:8; John 1:14; Isaiah 2:3*

[Disclaimer: Please note that "*The Book of Mysteries*" is Jonathan Cahn's notes from the lessons he received while spending a year under the tutelage of "The Teacher" in Yasharal (*Israel*). I have found many of these to be worthy to share and will make additional comments on them as needed. Those teachings not supported by Scripture that don't meet the mark on any level are not shared or posted. **We are not followers of Jonathan Cahn, as there are many beliefs we don't hold in common. However, these are shared that you too may be barakah (blessed) by the wisdom of "The Teacher."**]

Kerrie's Korner

Below, I present a challenge to each of you. I just received this list of eight objections today in which the writer from New Zealand has declared against the Lunar Sabbath

teaching. His views are not his own as I have received many objections such as these over the years and will continue to meet them with valid Scripture. On this earth, and in these latter days, our beliefs are certainly in the minority, but in the realm of heaven and the universe, we are in the majority as all are called to worship our Creator, Yahuah Alahim and His Son, Yahusha haMashiach on His sacred and set-apart lunar Sabbaths, New Moons, and lunar appointed Feast Days.

When objections such as this come it is a wonderful opportunity to reach these folks with the clear Word. Let us have the spirit of humility as we answer each question exactly as if they were questions from our beloved friends. I welcome your thoughts and answers to these objections.

Assertions Made Against the Lunar Sabbath by the Saturday or Sunday Keepers

Sir this doctrine is false! (by R.O. of New Zealand)

Here are Eight Key claims of the false Lunar Sabbath Doctrine:

1. New Moon Day is a non-work day, and is not counted in the week cycle.

Where is this instruction written in the Torah or OT?

Fourteen scriptures state "new moon" yet not one states it is not to be counted in the day count of the 7 day week.

Forty-one scriptures state "moon" but none state this day is not to be counted.

2. Now without written biblical instruction, you have no biblical support for this claim, as Paul clearly states all instructions are written Romans 15:4.

This means your calendar system is invalid, and NOT Biblical!

Deuteronomy 4:2 “You shall not add to the Word which I command you, nor take from it, to keep the commandments of YAHWEH your Elohim which I command you.”

Isaiah 8:20 “To the Torah and to the Testimony! If they do not speak according to this Word, it is because there is no light to them!”

Revelation 22:18 “For I testify together with everyone hearing the Words of the prophecy of this Book, if anyone adds to these things, YAHWEH will add upon him the plagues having been written in this Book.”

3. How is it that all other non-work days are counted?

4. Since when did scripture have two separate rules for the same thing?

5. Why was the *week* not reset at creation day four when the moon was new?

6. How is it that Sabbath is three days later?

7. How do you explain seven work days when a Hebrew month has thirty days?

8. Please explain this layout?

29th Sabbath
30th 1st work day,
New Moon,
2nd work day,

3rd, work day,
4th work day,
5th work day,
6th work day,
7th work day
8th Sabbath.
