

# Influential Moon

## Fat and Brightly Waxed

**D**iscover in this Hebrew Interlinear Word Study a continuation of a cover-up to keep unsuspecting souls from realizing that indeed both the Yahudim (Jews) and Romans made extensive changes to the calendar by the fourth century A.D. How this was accomplished is that long after the calendar changes were made, the Scriptures were translated into English. Because those translating assumed that the calendar had always been as it is for both the Yahudim (Jews) and Romans, they were not able to decipher or recognize anything different that was not already thoroughly taught as fact by both dotting assemblies.

If you have bought into the idea that Scripture has been perfectly preserved in all translations, it will be difficult for you to accept this and/or recognize that the truth is hidden in plain sight in the non-vowel pointed Hebrew text. The purpose of these Word Studies is to illustrate this fact.

### Verse by Verse Comparison of Job 31:26-28

	New King James Translation	The Creator's Calendar New Restored Interlinear Text
Verse 26	If I beheld the sun when shined, the moon walking in brightness. . .	<b>Surely, I shall behold the LIGHT of the shamayim LUMINARIES when they shine forth, and the MOON, INFLUENTIAL WHEN FAT and BRIGHTLY WAXED.</b>

<b>Verse 27</b>	And my heart hath been secretly enticed, or my mouth hath kissed my hand:	<b>And it shall enlarge and open wide [as the east gate] as a shelter of wisdom and understanding and will equip you with power and strength for doing the commanded appointments.</b>
<b>Verse 28</b>	This also were an iniquity to be punished by the judge: for I should have denied the God that is above.	<b>Indeed, it brings consequences, calling for judgment when dealing falsely with Alahim above.</b>
